

**Spcification**

Item No:	EMI.18-EF.LED.A6036
Dimension:	W60" X H36"
Mirror:	5mm copper free and lead free mirror
Frame:	black painted wooden frame
Frosted Width:	2" frosted area all around
Switch:	Three-button touch switch
Feature:	Defogger
Lamping:	LED SMD 2835,about 49W
Brightness:	Single LED Strip,400lm/foot,ABOUT 4900lm
Colour:	3000K-6000K
CRI:	>90
Voltage:	110V-120V
Structure:	Easy Instrall structure
Certificate	ETL listed

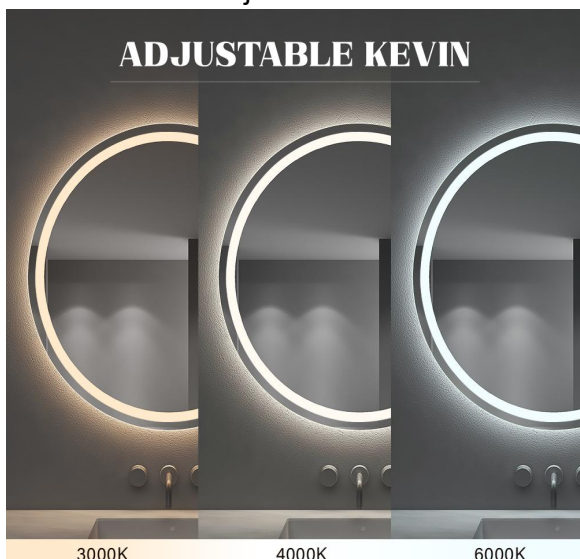

**Feature:**

- 5mm copper free and lead free mirror
- Fingerprint-free mirror frosted area
- frame: Wooden frame/stainless steel frame/aluminum frame/Iron frame
- Color can be custom
- Special anti-corrosion mirror trantment
- Rust resistant white powder coated steel chassis
- Hight ouput LED,option 2835, 2700K/3000K/4000K/6000K
- Hight color Rendring Index,ideal for makeup application
- Built in UL electronic LED driver,
- Input voltage: AC110-120V 50/60Hz
- ETL certificated
- Custom size welcomed
- OEM Welcomed
