

**SELECTABLE WATTAGE  
DIMMABLE**

# 300W LED CANOPY LIGHT

Our wattage-selectable Canopy Light is a super powerful light that allows you to choose the wattage that suits your needs best. With the flip of a switch, choose from 200W, 250W, and 300W, for even the darkest of corners. This light is perfect for all outdoor and security settings, providing strong light in 5700K color temperature and 150 LM/W. This light is also dimmable from 0-10V, making it great for outside your home or business. ETL and IP65 watertight and dustproof, and IK08 certified, this light is an ideal modern solution to illuminating commercial spaces like parking lots, gas stations, retail spaces, and more. This light comes with a 5 year warranty and in an attractive white finish.

**Weight:** 14.3 lbs.  
**Dimensions:** 16.5" x 16.5" x 2.6"
